

Remarks

Claims 20-39 are in the case. Claims 1-19 are cancelled. Claims 20-39 are newly added.

Upon translating claims 1-19 from French to English, numerous informalities arose in the claims 1-19 as a result of the translation. Moreover, a number of the original claims 1-19 would not have complied with U.S. laws regarding cascading multiple dependant claims. Therefore, Applicant cancels claims 1-19 and replaces those claims with claims 20-39. Claims 20-39 are very similar to claims 1-19 and are intended to correspond to claims 1-18 in scope. No new matter is added. Support can be found in the original claims and the drawings.

As the Examiner will note, Applicant has obtained a favorable PCT Written Opinion for claims 1-19. A translated copy of the PCT Written Opinion is included herewith. It is believed that claims 20-39 are entitled to the same favorable examination opinion. Accordingly, subject to the Examiner's additional search efforts, it is respectfully requested that claims 20-39 be allowed for the reasons set forth in the PCT Written Opinion.
